

Basaveshwar Science College, Bagalkot

Department of Electronics

Consolidated list of Guest Lectures

Sl n o	Topic	Resource person	Target group
1	" Solar Cell "	Dr .Anand Kulkarni, Professor Emeritus, Dept. of Elect. & Comp. Engg., Michegan Technological University, Houghton MI U.S.A.	B Sc Electronics students
2	" Fabrication of IC using VLSI Technology" .	Mr. Karriyanannavar	B Sc Electronics students
3	" Excellence in Science".	Prof.B.G.Mulimani Former Vice Chancellor Gulburga University Gulburga ,	B Sc Electronics students
4	" Water Purification by Semiconductors "	Prof. C. H. Bhosale Former HOD Department of Physics, Shivaji University Kholapur,	B Sc Electronics students
5	"Sensors for real time Applications".	By Prof. Krishnamurthy Bhat , Department of Electronics & Instrumentation Engg, Basaveshwar Engineering College, Bagalkot	B Sc Electronics students
6	" Solar Cells"	Prof.C.H.Bhosale , Former HOD, Dept of Physics Shivaji University Kholapur,	B Sc Electronics students
