

Department of Microbiology

History-Department of microbiology was established in the year 2007 to introduce and expose the subject to the students of rural and urban area and also to develop the experimental skills amongst the students. Dr.R.Girish was H.O.D of this department. Since from 2016 Smt R.I.Soudagar is serving as Head of the Department. The department conducts industrial and Research lab study tour for V & VI semester students annually. The department of Microbiology organizes various Guest lectures and Seminars for benefit of students.
