**I. "Celebration of National Science Day-2021"**

Science Association had organized the celebration of National Science Day in association with IQAC on 2<sup>nd</sup> March 2021. The theme of National Science Day for the year 2021 is **"Future of STI: Impacts on Education, Skills and Work"**. Dr. Vasant M. Ganiger, Professor, Vegetable Sciences, University of Horticultural Sciences, Bagalkot was the chief guest and addressed the gathering. He talked about the contribution of Sir. C. V. Raman and his life. Later he emphasized about the present and future technologies developed in the agriculture sciences. He narrated about the proper usage of water in the agriculture and how Israel has developed the technology to get high yield with minimum water resources. He also explained how excess usage of fertilizers and insecticides have become dangerous to mankind. He advised students to adopt good food habit for better health.

Both UG and PG students were participated in the function. Miss Akhila and Mr. Veeresh from UG and also Miss Shreya and Miss Reshma from PG shared their views by using PPT on National Science Day theme: **"Future of STI: Impacts on Education, Skills and Work"** for the year 2021. Prizes were distributed to the students for their presentation.

## II. “ World Ozone Day 2021”

Commemoration of “World Ozone Day” was organized by inviting Dr.S.M.Prasanna, Associate Professor, HOD of Soil Science and Agriculture Chemistry, University of Horticultural Sciences, Bagalkote, on 16<sup>th</sup> September 2021. The theme of Ozone Day for the year 2021 is ‘Montreal Protocol -keeping us, our food and vaccines cool’.

Dr.S.M.Prasanna spoke about the formation and importance of Ozone layer. He spoke about protective effect of ozone layer on human beings, aquatic ecosystem, air quality, crop yield and quality, bio geo chemical cycle. He explained about advantages of Ozone layer and finally emphasized about depletion of Ozone layer, ozone holes, thereby affecting all living being including man. The talk was quite informative. Students and staff appreciated the talk.

Special Talk by Dr.S.M.Prasanna

During the academic year 2020-21 two events were organized by Science Association.

Members of Science Association

1. Dr.V.S.Hegade
2. Sri.Sridhar Pangi
3. Dr(Smt).J.B.Uppin
4. Smt.S.B.Dadanatti

Dr. (Smt) R.S.Mathad  
Chairperson  
Science Association
