

Department of Electronics has organized workshop for students to develop hardware competency and idea of programming using microprocessor and microcontroller among B.Sc. students.

S. No.	Title Workshops	Level* N/S/U /L	Resource Person
1.	Printed circuit board	Local	Prof.Kambalimath BEC, Bagalkot
2.	Basic Electronics projects	Local	Amsa Embedded Solutions, Hubli <a href="http://www.amsaembedded.com/">http://www.amsaembedded.com/</a>
3.	Electronics projects based on microcontroller applications	Local	Amsa Embedded Solutions, Hubli <a href="http://www.amsaembedded.com/">http://www.amsaembedded.com/</a>
4.	“Electronic projects for real time applications”	University level	Prof.Krishnamurthy Bhat BEC , Bagalkot
